THE TIME IS NOW!

KALIKASAN MUNA, NGAYON NA! There is no other opportune time to stand up and be an ally of the environment than today. Let us not fear the forthcoming problems instead let us create ways to make things better today. The environment is life and to protect our own life, we must protect her.

OUR MANIFESTO

KALIKASAN MUNA (Environment First). The most important task for all human beings now is to care for our dying earth. Humans will perish even before the extinction of most living species, if we do not make the environment our priority.
